1. PURPOSE

Chapter 7 of the Civil Service Rules (Disbursements for Personal Services outside the Classified Service) establishes the basic standards and procedures for an

appointing authority to request approval from the Department of Civil Service to make disbursements for personal services performed by persons outside the classified work force. This regulation establishes supplementary standards, guidelines, and procedures approved by the state personnel director to implement Chapter 7. The guidelines in this regulation have been issued by the state personnel director to provide authoritative, useful, and consistent guidance to the Department of Civil Service, appointing authorities, and others in implementing Chapter 7 of the Civil Service Rules. A guideline may be relied upon for guidance if it applies to the facts of a particular request.

2. CIVIL SERVICE COMMISSION RULE REFERENCE

Rule 7-1 Disbursements for Personal Services outside the Classified Service

7-1.1 Requirements

An appointing authority shall not make or authorize disbursements for personal services outside the classified service until the provisions of article 11, section 5, of the constitution and the civil service rules and regulations have been complied with in every particular.

7-1.2 Disapproval by State Personnel Director

If an appointing authority makes or authorizes disbursements for personal services outside the classified service in violation of article 11, section 5, of the constitution or an applicable civil service rule or regulation, the state personnel director may disapprove any further disbursements by written order. If an appointing authority fails or refuses to comply with an order of the director, the director is authorized to take all appropriate action, including filing a civil action, to compel compliance with the disapproval order.

Rule 7-2 Jurisdiction

7-2.1 Civil Service Review or Approval not Required

An appointing authority is not required to seek or obtain civil service approval for any of the following disbursements outside the classified service:

- (a) Not personal services.*** *Disbursements that are not for personal services.*
- (b) Exempt and excepted employees.*** *Disbursements to persons occupying positions excepted from the classified service by article 11, section 5, of the constitution, or exempted by the state personnel director under rule 1-9.2 [Exempt Positions].*
- (c) Mixed disbursements.*** *Disbursements for personal services that are included with other disbursements if (1) the predominant purpose of the mixed disbursements is not for personal services and (2) the personal services are logically or practically related to the predominant purpose of the mixed disbursements.*

- (d) Grants. Disbursements of grants.*
- (e) Federal law. Disbursements under federal law if the use of the classified service is not an option.*
- (f) Intergovernmental disbursements. Disbursements to any of the following governments or their political subdivisions:*
 - (1) One or more of the states of the United States.*
 - (2) The United States.*
 - (3) Canada.*
- (g) Intragovernmental disbursements. Disbursements to any of the following public bodies:*
 - (1) An agency of the executive, judicial, or legislative branch of the state of Michigan.*
 - (2) A political subdivision of the state of Michigan, including, but not limited to, a county, township, city, village, or district.*
 - (3) Any governmental body created by agreement of any two or more counties, townships, cities, villages, or districts, as authorized by law.*
 - (4) A nonprofit community board, agency, or corporation created under local, state, or federal law to exercise a governmental function.*
 - (5) A public university, public college, public community college, or other public school.*
- (h) Court ordered disbursements. Disbursements made pursuant to a court order requiring disbursements for personal services, if the court retains jurisdiction of the matter or the matter is subject to further court review.*

7-2.2 Complaints

A complaint that an appointing authority has made or authorized disbursements for personal services in violation of article 11, section 5, of the constitution or a civil service rule or regulation must be filed with the state personnel director under the procedures authorized in rule 7-9 [Complaints and Investigations].

Rule 7-3 Standards for Disbursements for Personal Services

Except as provided in rule 7-2 [Jurisdiction], an appointing authority may make or authorize disbursements for personal services outside the classified service only if the personal services meet one or more of the following standards:

- (a) Standard A. The personal services are temporary, intermittent, or irregular.*
- (b) Standard B. The personal services are (1) so specialized, technical, peculiar, or unique that they are not recognized as normal to the classified service or*

(2) the appointing authority is unable to recruit enough qualified candidates willing to accept a classified position.

- (c) **Standard C.** The personal services involve (1) the use of equipment, materials, or facilities not reasonably available to the agency at the time and place required and (2) the estimated cost to the agency in procuring such equipment or materials and establishing the needed positions would be disproportionate to the contract cost.
- (d) **Standard D.** The personal services would be obtained at substantial savings over the proposed period of disbursements when compared with having the same personal services performed by the classified work force. The personal services do not meet this standard if, despite the savings over the proposed period of disbursements, substantial savings would not likely be realized over the long term. Savings are “substantial” if the average annual savings over the proposed period of disbursements are equal to or greater than the minimum required savings computed using the table below:

Col. 1 Projected Average Annual Disbursements:		Col. 2 Minimum Required Average Annual Savings Must Equal:
From:	To:	
\$ 1	\$ 25,000	25% of avg. average annual cost
25,001	50,000	20% (minimum \$6,250)
50,001	100,000	15% (minimum \$10,000)
100,001	200,000	12.5% (minimum \$15,000)
200,001	500,000	10% (minimum \$25,000)
500,001	1,000,000	Minimum \$50,000
1,000,001	And above	5% of avg. annual cost

Rule 7-4 Disbursements to Special Personal Services Employees

An appointing authority may make disbursements for personal services to a special personal services employee under the following conditions:

- (a) **Standards.** The personal services meet Standard A or Standard B in rule 7-3.
- (b) **Procedures.** The disbursements for personal services have been approved under the request procedures in rule 7-6 or preauthorized under rule 7-7.

Rule 7-5 Disbursements to Independent Contractors

An appointing authority may make disbursements for personal services to an independent contractor under the following conditions:

- (a) **Standards.** The personal services meet one or more of the standards in rule 7-3.

- (b) Procedures. The disbursements for personal services have been approved under the request procedures in rule 7-6 or preauthorized under rule 7-7.*

Rule 7-6 Prior Written Approval by Civil Service Staff

7-6.1 Procedure

An appointing authority may submit to the department of civil service a request for approval to make disbursements for personal services outside the classified service. Civil service staff shall (1) receive and evaluate the request, (2) receive and evaluate information submitted by other interested parties, and (3) issue a written technical decision. The staff shall approve the request, with or without conditions, or shall deny the request.

7-6.2 Approval

Civil service approval of a request to make disbursements for personal services outside the classified service must include the following:

- (a) The maximum aggregate dollar amount the appointing authority is authorized to disburse for the requested personal services during the approved period.*
- (b) The specific personal services that the appointing authority is authorized to purchase outside the classified service with approved disbursements.*
- (c) The period during which the appointing authority is authorized to make approved disbursements.*
- (d) Any other requirement, condition, or restriction on the disbursements necessary to ensure that the appointing authority complies with article 11, section 5, of the constitution and the civil service rules and regulations.*

7-6.3 Effective Date of Staff Decision

- (a) One interested party. If the appointing authority is the only interested party participating in the staff review, the technical decision is effective upon its issuance, unless a later date is specified in the technical decision.*
- (b) Two or more interested parties.*
 - (1) Effective date. If more than one interested party participates in the staff review, the technical decision is effective 14 calendar days after the date the technical decision is issued, unless a different date is specified in the technical decision or the state personnel director issues a stay.*
 - (2) Request for stay. An interested party intending to appeal the technical decision may file a request that the state personnel director stay the effective date of the decision pending appeal. The request for a stay must be received by the director within 10 calendar days after the date the technical decision is issued. The director may stay the effective date of the technical decision pending a technical appeal if the director determines that (1) it is*

unlikely that the request meets any of the standards for approval and (2) a stay is in the best interest of the classified service.

7-6.4 Complaint Regarding Technical Decision

An interested party who participated at the staff review may file a technical disbursement complaint as provided in rule 8-3 [Technical Complaints]. The technical complaint must be received by the department of civil service and all other interested parties within 14 calendar days after the date the technical disbursement decision is issued.

7-6.5 Compliance

An appointing authority shall comply with all requirements, conditions, and restrictions established in the civil service approval of a request to make or authorize disbursements for personal services outside the classified service. By way of example only, an appointing authority is prohibited from doing any of the following:

7-7.1 Publication of List

The department of civil service shall establish and publish a list of personal services deemed to meet one or more of the standards of rule 7-3 without further review.

7-7.2 Use of Preauthorized Approval

An appointing authority may make or authorize disbursements for any preauthorized personal services without submitting a request or obtaining prior written approval of the department of civil service under rule 7-6. When making or authorizing disbursements for preauthorized personal services, the appointing authority shall comply with all requirements, conditions, and restrictions established by the department of civil service for the use of the list of preauthorized personal services.

7-7.3 Reporting

As a condition of using the preauthorized list, the appointing authority shall report all disbursements for preauthorized personal services as required by statute and the civil service regulations.

7-7.4 Additions to Preauthorized List

An appointing authority seeking to add personal services to the list of preauthorized personal services may file a request with the department of civil service under the procedures authorized in rule 7-6. Civil service approval of a request to add personal services to the list of preauthorized personal services must include the following:

- (a) A description of the particular type of personal services being added to the list of preauthorized personal services.*
- (b) The standard in rule 7-3 that the added personal services is deemed to satisfy.*

7-7.5 Complaints or Appeals

Any complaint regarding the use of the preauthorized approval process or any disbursements for personal services made or authorized under the preauthorized approval process must be brought under the procedures authorized in rule 7-9. Any complaint regarding a technical decision to add personal services to the preauthorized list must be brought by an interested party under the technical appeal procedures in rule 8-3 [Technical Complaints].

Rule 7-8 Emergency Disbursements

An appointing authority may authorize or make disbursements for personal services outside the classified service without prior civil service approval when an emergency occurs. The emergency personal services must not continue beyond 28 calendar days without approval of the department of civil service. The department may approve continuation of emergency services for an additional period not to exceed 28 calendar days.

Rule 7-9 Complaints and Investigations**7-9.1 Investigation by State Personnel Director**

- (a) Complaint required. Any person who alleges that an appointing authority has made or authorized disbursements for personal services outside the classified service in violation of article 11, section 5, of the constitution or a civil service rule or regulation must file a complaint with the state personnel director and serve a copy on the appointing authority and the state employer.*
- (b) Examples of violations. Alleged violations for which a complaint must be filed include, but are not limited to, the following:*
 - (1) The appointing authority has made or authorized disbursements for personal services outside the classified service in violation of article 11, section 5, of the constitution.*

- (2) The appointing authority has made or authorized disbursements for personal services outside the classified service without obtaining approval required by the civil service rules or regulations.*
- (3) The appointing authority has made or authorized any of the following disbursements for personal services outside the classified service:*
 - (A) Disbursements in excess of the maximum aggregate dollar amount approved by civil service.*
 - (B) Disbursements for personal services other than those approved by civil service.*

- (7) The appointing authority failed to document adequately its compliance with the civil service rules and regulations.*

7-9.2 Action by State Personnel Director

After reviewing the complaint, the state personnel director may act on the complaint or may appoint a person to conduct an inquiry and make a recommendation for action to the director. If the director finds that an appointing authority has made or authorized disbursements for personal services outside the classified service contrary to article 11, section 5, of the constitution or a civil service rule or regulation, the director may disapprove disbursements for personal services or take other appropriate action to ensure compliance with the constitution and the civil service rules and regulations.

7-9.3 Appeal of Director's Determination

A determination of the state personnel director under rule 7-9 is final unless a party to the inquiry files an application for leave to appeal to the civil service commission under rule 8-7 [Appeal to Civil Service Commission] within 28 calendar days after the date the director's determination is issued.

Rule 7-10 Audit and Enforcement

The department of civil service shall periodically audit appointing authorities to ensure that they are complying with article 11, section 5, of the constitution and the civil service rules and regulations governing disbursements for personal services outside the classified service. If the state personnel director determines that an appointing authority has not substantially complied with article 11, section 5, of the constitution or the rules and regulations, the state personnel director may (1) require the appointing authority to file a written request and obtain prior written approval from the department of civil service for all disbursements for personal services outside the classified service and (2) take such other action as will reasonably ensure that the appointing authority complies with article 11, section 5, of the constitution and the rules and regulations in the future.

Rule 7-11 Contract Requirements

Every contract by a state agency that authorizes disbursements for personal services outside the classified service must contain a provision that the state is obligated to comply with article 11, section 5, of the constitution and applicable civil service rules and regulations. The provision must also give notice that, notwithstanding any other provision of the contract to the contrary, the state personnel director is authorized to disapprove contractual disbursements for personal services if the director determines that the contract or the disbursements violate article 11, section 5, of the constitution or applicable civil service rules and regulations. The failure of an appointing authority to require such a provision in a contract does not limit or restrict the authority of the civil service commission and the director to disapprove disbursements for personal services outside the classified service.

Rule 7-12 Limitations

Approval by the department of civil service under this chapter does not relieve an appointing authority of an obligation under any other law or non-civil service rule or regulation that may apply to a contract. Approval by the department of civil service under this chapter does not constitute approval of any contract or agreement by the state of Michigan under which an appointing authority makes or authorizes approved disbursements for personal services outside the classified service.

2. **Request for Jurisdictional Determination.** If an agency is uncertain whether a proposed disbursement is within the jurisdiction of the Civil Service Commission, the appointing authority may file a written request with the Department of Civil Service for a jurisdictional determination.

a. The request must contain a complete description of the proposed services and the reasons why the associated disbursements are believed to be outside the jurisdiction of the Commission.

b. If the Department of Civil Service determines that the proposed disbursements are within the Commission's jurisdiction, the appointing authority must submit a CS-138 and obtain civil service approval before disbursing any funds.

c. If the Department of Civil Service determines that the proposed disbursements are outside the Commission's jurisdiction, the appointing authority may make the disbursements without submitting a CS-138.

d. A determination by the Department of Civil Service that a particular disbursement is outside the jurisdiction of the Civil Service Commission does not necessarily mean that the commodity code associated with that disbursement will always be deemed outside the Commission's jurisdiction.

e. A jurisdictional determination by the Department of Civil Service is final. No appeal is authorized, except as provided in Rule 7-2.2.

3. **Review or Approval Not Required**

a. An appointing authority is not required to seek or obtain prior approval from the Department of Civil Service for any disbursements listed in Rule 7-2.1, with the exception of certain grants as specified in b. below.

b. **Grants.** For a grant where a state agency has discretion to determine the service provider, civil service review is required.

c. The Department of Civil Service maintains on its website a list of services for which disbursements are deemed outside the jurisdiction of the Civil Service Commission. An appointing authority is not required to seek or obtain prior approval from the Department of Civil Service for disbursements for any service on this list.

(1) The Department of Civil Service may modify the list at any time.

(2) If an appointing authority believes a specific service should be added to the list, the appointing authority may file a written request to add the service.

(a) The request should contain a complete description of the services at issue and the reason why the services are believed to be outside the jurisdiction of the Commission.

(b) If the Department of Civil Service determines that the services are not within the jurisdiction of the Commission, the service will be added to the list.

d. The Department of Civil Service expressly reserves the right to individually review services provided under the list of services outside the jurisdiction of the Commission to verify that the services are outside the Commission's jurisdiction. The department may require an appointing authority to justify its use of a non-jurisdictional code in a specific instance. The department may issue an order in writing to an appointing authority modifying, restricting or revoking the future use of the non-jurisdictional listing if the department determines that the appointing authority has improperly used the non-jurisdictional service.

AB. Disbursements for Personal Services Outside outside the Classified Service.

1. Standard A Guidelines

a. Guidelines for Standard A

(1)a. Guideline A-1: Examples of ~~temporary~~Temporary, ~~intermittent~~Intermittent, or ~~irregular~~Irregular personal Personal services Services include:

(a1) Personal services that are needed so sporadically, randomly, or intermittently that the need for such personal services cannot be reliably predicted.

(b2) Services for which the need is so temporary or limited that it is not practical to use the classified service.

~~(2)b.~~ ~~Guideline A-2:~~ **Sunset within 36 Months.** Temporary full-time personal services may be approved under ~~these standards~~this guideline if funding or the need for the personal services will not continue beyond 36 months.

(1) For purposes of this analysis, the appointing authority must provide particularized proof that the specific funding, or the need for the personal services to be provided, are limited to no more than 36 months. For example, a specific program with a sunset provision within 36 months may meet this standard.

(2) Approval under this guideline is limited to services that are intended to be limited duration, temporary personal services that meet a particularized, limited-duration need.

(3) This guideline does not authorize approval of ~~(4a)~~ renewal of a request previously approved under this guideline, ~~(2b)~~ a request based on general uncertainty about future funding, or ~~(3c)~~ a request for personal services which are likely to be provided indefinitely even though the funding is limited to less than 36 months.

2. **Standard B** Guidelines

~~a.~~ ~~Guidelines for Standard B:~~

~~(1)a.~~ ~~Guideline B-1:~~ **Examples of Uncommon Personal Services** include:

(a1) Personal services for which it is extremely difficult to recruit candidates willing to accept a classified position. The appointing authority must certify that an inadequate applicant pool exists and provide dates the job was posted on the civil service website, advertised in newspapers and publications, included in job fair announcements, or any other information that supports the certification.

(b2) Personal services that require expertise outside the normal scope of the classified service.

(c3) Personal services that are specialized or rare.

(d4) Personal services that reasonably require the provider to be outside the classified work force, such as expert testimony,

independent audit services, and dispute-resolution and arbitration services.

- (e5) Personal services that are necessary because they are integrated with the purchase of proprietary commodities and cannot be segregated from the primary commodities.

~~(2)b.~~ ~~Guideline B-2: Personal Services Not not Classified.~~
~~These standards include Approval under this guideline is intended for those~~ personal services not typically provided by the classified service and recognizes that the classified service cannot reasonably include all possible personal services in its classification scheme. The absence of the personal services from the classification scheme may provide some justification for a request under these standards.

3. **Standard C Guideline**

~~a. Guidelines for Standard C~~

~~(1) Guideline C-1: Costs.~~ An analysis of “cost” under Standard C includes, but is not necessarily limited to, simple dollar cost comparisons. An analysis under this standard may consider such qualitative factors as (1) the time and effort required to create and manage needed classified positions, (2) the impact of the new personal services on the agency mission, and (3) the likelihood of the personal services continuing into the future, or the like. If it is determined that the costs of the goods exceeds the costs of associated personal services, the Department of Civil Service lacks jurisdiction over the request and shall so specify in its technical decision.

4. **Standard D Guidelines**

~~a. Guidelines for Standard D~~

~~(1)a. Guideline D-1: Wage and Benefit Standards.~~

~~(1)~~ The state personnel director shall periodically develop and publish on the Department of Civil Service website and in written form the civil service *Guide for Calculating Standard Cost Savings*. The guide shall provide standardized formulas and other electronic processes to assist in identifying and documenting costs associated with contracting for personal services in comparison to costs of utilizing the classified service.

~~(2)~~ The state personnel director shall ~~also~~ publish standardized rates that establish minimum thresholds to be applied in the preparation of a Standard D cost analysis. The information may include, but is not limited to, salary and wages, fringe

benefits, group insurance, inflation, indirect costs, unemployment insurance, workers' compensation insurance, retirement, ~~fringe benefits~~, FICA costs, contract monitoring costs, and the like.

- ~~(2)b.~~ ~~Guideline D-2:~~ **Content of Cost Savings Submission.** Appointing authorities must adhere to the methods and guidelines provided in the civil service *Guide for Calculating Standard Cost Savings* when submitting requests under Standard D.

5. **Table of Permissible Uses of Standards.** This table summarizes the permissible uses of each of the two procedures available for approving ~~contracts~~ disbursements for personal services.

To find if an appointing authority can use a particular procedure to approve a particular type of contract service, go to the cell at the intersection of the procedure (major column), type of contractor (minor column), and standard (row). If the cell contains "OK," the particular procedure may be used to obtain approval. If the cell contains "N/A," the procedure is not available for use.

Standards Under Rule 7-3	Prior Approval Required Rule 7-6		Preauthorized Approval Rule 7-7	
	Hire an SPS Employee	Hire an Independent Contractor	Hire an SPS Employee	Hire an Independent Contractor
Standard A (Temporary Services)	OK	OK	OK	OK
Standard B (Unique Services)	OK	OK	OK	OK
Standard C (Lack of Equipment)	N/A	OK	N/A	OK
Standard D (Cost Savings)	N/A	OK	N/A	OK <u>N/A</u>

BC. Disbursements to Special Personal Services (SPS) Employees.

1. **Required ~~ments~~ Procedures for Hiring SPS Employees**

- a. An agency shall not hire or make disbursements for personal services to a special personal services (SPS) employee unless the Department of Civil Service has approved the disbursements *in advance*. This means that an agency must either file a request under rule 7-4 or have already obtained preauthorized approval under rule 7-7.

- b. An SPS employee may only be hired if the personal services meet either Standard A or Standard B in rule 7-3. An

agency may not hire an SPS employee under Standard C or Standard D.

2. ~~Standards and~~ **Guidelines for Hiring SPS Employees**

~~_____a. An SPS employee may only be hired if the personal services meet either Standard A or Standard B in rule 7-3. An agency may not hire an SPS employee under Standard C or Standard D.~~

~~(1)a.~~ SPS Guideline 1: **Cost Savings and SPS Employees.** Cost savings may be considered in evaluating submissions under both Standard A and Standard B. However, the cost savings tests under Standard C and Standard D are not applicable to SPS employees. Therefore, civil service will not approve the hiring of an SPS employee *solely* on the basis that it is less expensive to hire an SPS employee than a classified employee.

~~(2)b.~~ SPS Guideline 2: **Hiring Freeze and SPS Employees.** The governor and appointing authorities occasionally impose hiring freezes, budget limitations, head count limitations, and other restrictions on hiring classified employees as mechanisms to control costs. Since cost savings alone are insufficient justification for hiring SPS employees, civil service will not approve the hiring of an SPS employee *solely* for the reason that there is a hiring freeze, budget limitation, head count limitation, or other management-imposed limitation on hiring classified employees. In such cases, independent contractors may be used if the contract meets one or more of the standards in rule 7-3.

~~CD.~~ Disbursements to Independent Contractors.

Disbursements for personal services to an independent contractor may be made only subsequent to the civil service staff determination that the agency's request meets one or more of the four standards in rule 7-3.

~~DE.~~ Prior Written Approval by Civil Service Staff.

1. **Submission of Request by Appointing Authority**

~~_____a.~~ Unless otherwise authorized, an appointing authority shall submit a new request or amendment to an existing request to the Department of Civil Service and receive approval before it authorizes or makes a disbursement for personal services outside the classified service. The request shall include the following:

~~(1)a.~~ A completed form CS-138 that provides the proposed beginning and ending dates of the requested services, a detailed description of the requested personal services, the

total dollar amount of the disbursement request, and all other required information.

(1) Amendments to an expired CS-138 are prohibited, except when civil service determines good cause has been demonstrated by the appointing authority.

(2) Amendments to a currently active CS-138 are not appropriate when approval would result in both the addition of a year or more of service and the corresponding funds.

(2)b. An analysis that identifies the standard(s) in rule 7-3 upon which the appointing authority relies and a justification that details the relationship between the personal services and the standard(s).

(3)c. Any additional information to be considered by civil service staff reviewing the request. If additional information is provided by the appointing authority, a copy must also be provided to all interested parties.

(4)d.
